

Multnomah County ARES WEEKLY NET SCRIPT (4JAN2023)

Good evening. This is *(callsign and first name)* net control for this session of the Multnomah County ARES net. This net meets every Wednesday at 7:00 P.M. If any station has emergency, priority or health and welfare traffic, please come now with your callsign.

Stations may break the net at any time for emergency traffic by saying "Emergency."

Any stations with routine traffic please come now with your call sign. *(Have sending station list traffic. Ask for a volunteer to take the traffic. Have the receiving volunteer call the sending station.)*

Are there any announcements, questions, contacts, or other business for the net?

This is *(callsign)* for the Multnomah County ARES net. We will now begin roll-call by team with Multnomah County ARES members followed by check-ins from anyone else who would like to join our net. When checking in please speak slowly and clearly while providing your callsign in ITU phonetics and your first name. All stations are encouraged to log all of the call signs for practice.

This is (*callsign*) for the Multnomah County ARES net. We will now take check-ins from everyone else who would like to join us. If you are affiliated with any other emergency response group including other ARES groups or Portland NETs, please say so when you check in.

Any other check-ins, please come now.

(acknowledge each callsign)

Multnomah County ARES meets the fourth Thursday of every month at 7:00 pm. We encourage new hams and anyone interested in emergency

communications to come to our meetings. You can find out more about us by visiting our website at multnomahares.org.

Are there any more late check-ins or business for the net?

This is *(callsign)* closing this evening's session of the Multnomah County ARES net. Thanks to all stations who participated and to those who stood by to give us a clear operating frequency. The W7LT repeater is owned and operated by the Portland Amateur Radio Club and permission for its use is greatly appreciated by Multnomah County ARES. This net will meet again next week at 7:00 P.M. local time. This repeater is now returned to general amateur use. Have a safe week. This is *(callsign and name)* signing the net clear at (local time).
